Quality, Health, Safety, Security and Environment Policy

OWATCO is committed to continually improve the quality of its services and products while protecting people and the environment. Emphasis is placed on ensuring human health, operational safety, environmental protection, quality enhancement and security. This commitment is in the best interest of our customers, our employees & contractors, our stakeholders and the communities in which we live and work.

OWATCO requires the active commitment and accountability for QHSSE from all employees and contractors. Line management has a leadership role in the communication and implementation of, and ensuring compliance with, QHSSE policies and standards. QHSSE Personnel will work as a catalyst as QHSSE is a line responsibility.

OWATCO is committed:

- To protect and strive for improvement of, the health, safety and security of our employees, visitors and sub-contractors at all times;
- To eliminate Quality non-conformances and HSE incidents;
- To meet specified customer requirements and ensure continuous customer satisfaction;
- To set Quality & HSE performance objectives, measure results, assess and continually improve processes, services and product quality, through the use of an effective management system and commitments given in this policy;
- To plan for, respond to and recover from any emergency, crisis and business disruption;
- To minimize our impact on the environment through pollution prevention, effective consumption of natural resources & reduction of emissions and wastes
- To communicate openly with stakeholders and ensure an understanding of our QHSSE policies, standards, programs and performance
- To reward outstanding QHSSE performance on yearly basis following a continual quarterly assessment plan

This Policy shall be regularly reviewed to ensure ongoing suitability. The commitments listed are in addition to our basic obligation to comply with OWATCO standards as per ISO 9001:2015, OHSAS 18001:2007, as well as all applicable legal and other requirements where we operate.
